Developed by InMobi, a leading mobile marketing platform, Nostra aimed to transform the android lock screen into an immersive gaming surface, offering users immediate access to a vast collection of free online games and an innovative gameplay experience.

The Rise of Nostra's Gameplay Experiences

Nostra was brought to life by InMobi, a pioneering company in the mobile marketing and advertising space. Recognizing the untapped potential of gameplay on the android lock screen, InMobi envisioned

a platform that could provide users with a seamless and engaging gameplay experience with the latest games.

Nostra's vision was to empower android users with immediate access to immersive gameplay right within the best action games right at their fingertips. From its inception, Nostra was committed to supporting game developers and enabling them to create the latest games with gameplay that would resonate with a global audience.

By fostering a vibrant ecosystem of talented developers, Nostra sought to continuously introduce new and innovative gameplay experiences, ensuring that users never ran out of exciting content to explore thanks to all the latest games available.

The Best Action Games With Captivating Gameplay on Nostra

Nostra's diverse game library boasts some of the [latest games](#) and best action games, catering to the thrill-seeking and adrenaline-fueled gaming community. Here are a few must-try action games with evolved gameplay, available on Nostra:

1. **Hunter Hitman:** If you're looking for a thrilling gameplay experience that will keep you on the edge of your seat, you need to check out 'Hunter Hitman' on Nostra. This action-packed stealth game drops you into a high-stakes mission to infiltrate a heavily guarded desert military base, armed with nothing but a knife. You'll need to rely on your wits and stealth skills to evade detection, using shadows and darkness to your advantage as you creep silently through corridors and avoid patrolling guards.

As you progress, you'll encounter various targets, each with its own unique challenges and obstacles. Take down enemies with precision knife strikes, or use environmental objects to your advantage.

1. **Knock em all:** If you're looking for a gameplay experience that will get your heart racing and keep you coming back for more, you need to check out "Knock em all" on Nostra. This fast-paced and exhilarating game is all about knocking down as many targets as possible within a limited time frame, pushing your reflexes and accuracy to the limit.

The adrenaline-pumping [gameplay](#) and vibrant visuals make it a crowd favorite, and I can attest to that. Every time I play, I find myself getting more and more competitive, trying to beat my previous scores and climb the leaderboards. The game's simple yet addictive mechanics make it easy to pick up and play, but challenging to master.

1. **Space intruder:** If you're a fan of space-themed gameplay experiences and love a good challenge, you need to check out "Space intruder" on Nostra. This game immerses you in an intergalactic adventure where you must defend your base from relentless waves of alien invaders. With stunning graphics that transport you to the depths of space, you'll feel like you're right in the middle of the action.

The battles are intense, with a variety of alien enemies to take down, each with their own unique abilities and attack patterns. As you progress through the levels, you'll unlock new upgrades and power-ups that give you an edge in the fight. From powerful lasers to protective shields, there's always something new to discover.

1. **Base defense:** If you're a fan of strategy games with gameplay that keeps you on your toes, you need to check out "Base defense" on Nostra. In this thrilling game, you'll put your skills to the test as you build and fortify your base, all while defending it against relentless waves of enemy forces. The key to success lies in your ability to strategize, manage resources efficiently, and make quick decisions under pressure. As you progress through the levels, the challenges become increasingly complex, forcing you to adapt your tactics and think several steps ahead.

2. **Turn shooter:** If you're looking for a game that will challenge your strategic thinking and quick reflexes, you need to check out "Turn shooter" on Nostra. This innovative game combines the best of both worlds — turn-based strategy and shooting mechanics — to create a truly unique experience in gameplay. In "Turn shooter," you'll need to carefully plan your moves, taking into account your opponents' positions, strengths, and weaknesses. Then, you'll need to execute precise shots to eliminate them. The game requires a perfect balance of strategy and skill, making it both challenging and rewarding.
